

# Shadow (Live From Miami)

[Britney Spears](#)

Your body's warm but you are not  
You give a little, not a lot  
You could be Love, until we kiss  
You're all I want, but not like this. I'm watching you disappear  
But you, you were never here It's only your shadow  
Never yourself  
It's only your shadow  
Nobody else It's only your shadow  
Here in the room  
Arriving to Late  
Leaving to soon  
Leaving to soon Your body gives but then, Pulls back  
The sun is, bright the sky is black  
Could only be another sign  
I cannot keep what isn't mine Your love still lingers on  
But you, you are almost gone It's only your shadow  
Never yourself  
It's only your shadow  
Nobody else  
It's only your shadow Here in the room  
Arriving to Late  
Leaving to soon  
Leaving to soon How can I tell that you mean what you say  
Your say it so loud, but you sound far away  
Maybe I've had just a glimpse of your soul  
Or was that your shadow i saw on the wall I'm watching you disappear  
But you were, you were never here It's only your shadow  
Never yourself  
It's only your shadow  
Nobody else It's only your shadow  
Here in the room  
Arriving to Late  
Leaving to soon  
Leaving to soon
