

Grace Is Gone

Dave Matthews & Tim Reynolds

DAVE MATTHEWS

Miscellaneous

Grace is gone

Neon shines through smokey eyes tonight

It's 2 A.M., I'm drunk again

And it's heavy on my mind

I could never love again

So much as I love you

Where you end, where I begin

Is like a river running through

Take my heart, take my eyes

I need them no more

If never again they fall

Upon the one I so adore...

Excuse me please, one more drink

Could you make it strong?

'Cause I don't need to think

She broke my heart

My Grace is Gone

Another drink and I'll be gone

One drink to remember

Then another to forget

I think of every day to find

A love like you again

One drink to remember

And another to forget

Excuse me please, one more drink

Could you make it strong?

'Cause I don't need to think

She broke my heart

My Grace is Gone

Another drink and I'll be gone

One more drink and I'll move on

You think of things impossible

Then the sun refuse to shine

I woke with you beside me

Your cold hand lay in mine

Excuse me please, one more drink

Could you make it strong?

'Cause I don't need to think
She broke my heart
My Grace is Gone
Another drink and I'll go...
Excuse me please, one more drink
Could you make it strong?
'Cause I don't need to think
She broke my heart
My Grace is Gone
Another drink and I'll move on
One more drink and I'll move on
One more drink, my grace is gone.
