

# Drunk

## Skuzz

I wanna be drunk when I wake up,  
On the right side of the wrong bed,  
And every excuse I made up,  
Tell you the truth I hate,  
What didn't kill me, it never made me stronger at all,  
Love will scar your makeup lip sticks to me,  
So now I'll maybe lean back there  
I'm sat here, wishing I was sober,  
I know i'll never hold you like I used to  
But our house gets cold when you cut the heating,  
Without you to hold i'll be freezing,  
Can't rely on my heart to beat it  
Cause you take part of it every evening,  
Take words out of my mouth just from breathing,  
Replace with phrases like 'when you leaving me?'  
Should I, Should I,  
Maybe I'll get drunk, again  
I'll be drunk, again, I'll be drunk, again  
To feel a little love.  
I wanna hold your heart in both hands,  
Now I'll watch you fizzle at the bottom of a coke can,  
And i've got no plans for the weekend,  
So should we speak then? Keep it between friends?  
Though I know you'll never love me, like you used to

There maybe other people like us,  
Will see the flicker of the clipper when they light our,  
Flames just create us, burns dont heal like before  
You dont hold me anymore  
On cold days Coldplay's out like the band's name  
I know i cant heal things with a handshake  
You know i can change, as I began saying  
You cut me wide open like a landscape  
Open bottles of beer but never champagne  
To applaud you with the sound that my hands make  
Should I? Should I?  
Maybe I'll get drunk, again  
I'll be drunk, again  
I'll be drunk, again

To feel a little love  
All by myself  
I'm here again  
All by myself  
You know I'll never change  
All by myself  
All by myself  
I'm just drunk, again  
I'll be drunk, again  
I'll be drunk, again  
To feel a little love
