

Don't Let Him Go

REO Speedwagon

So you think that you've got him all figured out

He's a sweet talkin' stud

Who can melt a girl's heart with his pout

He's the kind of lover that the ladies dream about

Yes he is He's got plenty of cash

He's got plenty of friends

He drives women wild

Then he drives off in a Mercedes Benz

He's got a long wick with a flame at both ends

He's hot But don't let him go

Just give him a chance to grow

Take it easy, take it slow

And don't let him go

Don't let him go He makes you so angry

He makes you so sore

The wait may be worth it

But how can you wait anymore

When you're wonderin' what you're waitin' for

Baby I don't know But don't let him go

He just needs a chance to grow

Take it easy, take it slow

And don't let him go

Don't let him go But don't let him go

Just give him a chance to grow

Take it easy, take it slow

And don't let him go

Don't let him go But don't let him go

He just needs a chance to grow

Take it easy, take it slow

And don't let him go

Don't let him go Don't let him go

Don't let him go

Don't let him go

Don't let him go

Don't let him go

Don't let him go

Oh no
