Joey's Party

Orville Stoeber

Joeyâ€™s party didnâ€™t last too long
He took a hard way down
And all his friends, well
they just looked sad and said
"Thatâ€™s where I knew he was bound"

Now Joeyâ€™s mother, well
she cries every night, saying
"What has my poor boy done?
I just gave him the better
half of my life
Just so he could have one"

But what can you do
when the well runs dry
and youâ€™re an inch from the ground?
You go to the man
with a needle in his hand
Thatâ€™s where Joey can be found.
