Planet Funk

Suck your lemonade
In the sunWhens its hot and tropical
You drip just like glue
That sunlight's burning into you
You're dripping all overWhens its hot and tropical
You drip just like glue
That sunlight's burning into you
You're dripping all overSuck your lemonade
In the sun
Watch it run
Off your tongue
Suck your lemonade
Watch it run
Out of your pink tongue
Out of your pink tongue
Watch it run
Off of your pink tongueI see you melting up to the stuff on you're stereo
With you're friends in the heat, in your Alpha Romeo
You're dripping all overSuck your lemonade
In the sun
Watch it run
Off your tongue
Suck your lemonade
Watch it run
Out of your pink tongue
Out of your pink tongue
Watch it run
Off of your pink tongueCreeping to the shame
Suck your lemonadeCreeping to the shame
Suck your lemonadeYou justSuck your lemonade
In the sun
Watch it run
Out your tongue
Suck your lemonade
Watch it run
Out of your pink tongue
Out of your pink tongue
Watch it run
Out of your pink tongueSuck your lemonade

In the sun
Watch it run
Out your tongue
Suck your lemonade
Watch it run
Out of your pink tongue
Out of your pink tongue
Watch it run
Out of your pink tongueWith your friends in the heat, in your Alpha Romeo
