

Movin' On

Jordan Johnson

Verse One

Baby, we've been kickin' it for a while
But now it's time for you to leave
Baby, I'm puttin' you on trial
You've done some things that I can't believe

Pre Chorus

Cause I saw the video
And baby now I know
That you weren't true to me
That's why I've gotta be

Chorus

Movin' on
I've gotta get away from you
I've got some other things to do
It's time for me to move on

Movin' on
I've got another place to be
I've got another girl to see
I'm movin' on

Verse Two

Baby, now I finally see
I wasted my time with you
Baby, you can't come crawling back to me
I've already found someone new

Pre Chorus

Cause I saw the video
And baby now I know
That you weren't true to me
That's why I've gotta be

Chorus

Movin' on
I've gotta get away from you
I've got some other things to do
It's time for me to move on

Movin' on
I've got another place to be
I've got another girl to see
I'm movin' on

Bridge

There's nothing left for me to say
I wish it didn't end this way
But that's how it's gotta be
I know that you want me to stay

But I've gotta get away
So that's why I've gotta leave

Chorus

Movin' on
I've gotta get away from you
I've got some other things to do
It's time for me to move on

Movin' on
I've got another place to be
I've got another girl to see
I'm movin' on

Chorus
Movin' on
I've gotta get away from you
I've got some other things to do
It's time for me to move on

Movin' on
I've got another place to be
I've got another girl to see
I'm movin' on
