

I Wanna Do It All

[Terri Clark](#)

I'm sittin' in traffic for the fifth year in a row
Wastin' my time just to get where I don't even wanna go
I started jauntin' things down on a crispy creme sack
Everything I'd do if I could leave this place
And never look back I wanna do it all, visit Paris in the fall
Watch the Yankee's play ball, I wanna take it all in
Catch a few beads down at Mardi Gras
Start a tradition lay down the law
I wanna do it all I wanna drink Tequila down in Tijuana
Say, "Why I'm not" when somebody says, "Hey do you wanna?"
I wanna get my heart broke once or twice
Settle down with the love of my life
Rock little babies to sleep at night I wanna do it all, visit Paris in the fall
Watch the Yankee's play ball, I wanna take it all in
Catch a few beads down at Mardi Gras
Start a tradition lay down the law
I wanna do it all I wanna stand today, every now and then
Just doin' what I wanna do
When I wanna do it
(I wanna do it all)
Anytime I wanna do it
(I wanna do it all) I wanna do it all, visit Paris in the fall
Watch the Yankee's play ball, I wanna take it all in
Catch a few beads down at Mardi Gras
Start a tradition lay down the law
I wanna do it all See Niagara Falls, fight City Hall
Feel good in my skin
Beatin' the odds with my back to the wall
Tryin' to rob Peter without payin' Paul
I wanna do it all, I wanna do it all
I wanna do it all
