Me & Baz

Blue Rodeo

Things are much worse
Than what I first let on
I'm spinning out
I don't know how I let things get
So far gone
So far goneI don't know how I
Let the stakes get so high
And so did I
Now I can't tell difference between
The truth or a lie
The truth or a lieHey there Baz
Won't you twist one up for the ride
Cause we've both been down this road so many times
And we've sang all these old songs
Deep into the night
Yea my soul it's out of touch
That's my problem I think too much
And I don't know if I'll make it home alive
Too far goneOh dear darkness
If your gonna take me take me now
I've had enough
And I don't fear cause I've seen the light
That shines behind the shadows door
There's a light that shines
There's a light that shines
There's a light that shines
