

Pieces of Me

ONE OK ROCK

As all the years just pass me by
And all the things I've never tried Te wo nobashita hikarini
Gotta find my place
Yukisaki ha mikai nochi
And going on Teni ire ta pazuru
Yorokobiya kibou
Ayama chikoukai mo
Tsunagu jibun dake no mirai he Oh break up pieces of me
And start again
Cause the puzzle I had
Wasn't working then Oh pieces of me
And nothing's changed
Me wo toji te utsuru e shinjinte
Oh pieces of me
I hope I can Yeah I am broken up in two
Just matching perfectly with you Teni ire ta pazuru
Ate hame te tsukurumada
Mi nu koukei wo
Tsunagi jibun dake no mirai he Oh break up pieces of me
And start again
Cause the puzzle I had
Wasn't working then Oh pieces of me
And nothing's changed
Me wo toji te utsuru e shinjinte
Oh pieces of me
I hope I can
There is nothing to change I've been here before
There is nothing to change
What I'm looking for
There is nothing to change
In this this strangers war
Anymore Oh break up pieces of me
And start again
Cause the puzzle I had
Wasn't working then Oh pieces of me
And nothing's changed
Me wo toji te utsuru e shinjinte
Oh pieces of me
I hope I can Get it together again

Back together again
