

Closer

Ne-Yo

Closer

Closer

Closer

Closer Turn the lights off in this place

And she shines just like a star

And I swear I know her face

I just don't know who you are

Turn the music up in here

I still hear her loud and clear

Like she's right there in my ear

Telling me

That she wants to own me

To control me

Come closer

Come closer[Chorus]

Oh I just can't pull myself away

Under her spell I can't break

I just can't stop

I just can't stop

I just can't stop

I just can't stop

And I just can't break myself no way

But I don't want to escape

I just can't stop

I just can't stop

I just can't stop

I just can't stop

I just can't stop I can feel her on my skin

I can taste her on my tongue

She's the sweetest taste of sin

The more I get the more I want

She wants to own me

Come closer

She says "come closer"[Chorus][Repeat: x7]

(Come closer)[Repeat: x4]

I just can't stop no[Chorus] Oh I just can't pull myself away

Under her spell I can't break

I just can't stop

I just can't stop

I just can't stop
I just can't stop
I just can't stop
Come closer
