Baby, baby  
Open up your ears so you can hear me lady  
That sexy walk is driving me so crazy  
And I thinkin' later on that maybe baby  
That maybe we can get down  
So fly  
Your milkshake and the boys do to ya  
And they be like "whoa" when you walk by  
So, uh, can I get down with ya  
So can I roll with ya
