

Drive By

KIDZ BOP Kids

On the other side of a street I knew
Stood a girl that looked like you
I guess that's deja vu
But I thought this can't be true
'Cause you moved to west L.A or New York or Santa Fe
Or where ever to get away from me Oh but that one night
Was more than just right
I didn't leave you cause I was all through
Oh I was overwhelmed and frankly scared as hell
Because I really fell for you Oh I swear to ya, I'll be there for ya
This is not a drive by
Just a shy guy looking for a two ply
Hefty bag to hold my love
When you move me everything is groovy
They don't like it sue me, mm way you do me
Oh I swear to you, I'll be there for you
This is not a drive by On the other side of a downward spiral
My love for you went viral
And I loved you every mile you drove away
But now here you are again
So let's skip the "how you been"
And get down to the "more than friends" at last Oh but that one night
Is still the highlight
I didn't need you until I came to And I was overwhelmed and frankly scared as hell
Because I really fell for you Oh I swear to you, I'll be there for you
This is not a drive by
Just a shy guy looking for a two ply
Hefty bag to hold my love
When you move me everything is groovy
They don't like it sue me, mm way you do me
Oh I swear to ya, I'll be there for ya
This is not a drive by Please believe that when I leave
There's nothing up my sleeve but love for you
And a little time to get my head together too On the other side of a street I knew
Stood a girl that looked like you
I guess that's deja vu
But I thought this can't be true, 'cause Oh I swear to you, I'll be there for you
This is not a drive by
Just a shy guy looking for a two ply

Hefty bag to hold my love
When you move me everything is groovy
They don't like it sue me, mm way you do me
Oh I swear to ya, I'll be there for ya
This is not a drive by
