Love Me or Leave Me

Three Days Grace

I go all in in love and life
But I can't take another sudden goodbyeDeep, deep down inside
Tell me...Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
I have to ask cause I need something to last
Too many times I've been left behindDeep down inside
Tell me...Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?Deep, deep down inside
Deep, deep down inside
Tell me...
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
Will you love me or leave me forever?
