

Check, Run It

T.I.

[T.I.]

In this motherfucker please
You know exactly what a motherfucker need
I need a bag 'bout a hundred fifty Gs
You don't want us to make a motherfucking scene
Check, run it, all hundred
Check, run it, all hundred
Check, run it, all hundred
Check, run it, all hundred
Check, run it
No broke shit in my life
Cause I'm scared that shit could rub off on me
I'm superstitious, no lie
Check, run it
No broke shit in my life
No broke shit in my life(Verse 1)
I tell you no lie
I be everywhere you go, guy
Over here every hoe who go by
Say that nigga right there be so fly
Ay doubling up is all I'm about
Man one or two million kept all in the house
I'm calling them shot
Get all of them shots
Hate me till your stomach is all in or not
Boy I'm already hot I'm already rich
You better be gone, you lil' bitty bitch
You petty as shit, I'm real as it get
My nigga Cap hear me say hit 'em with dick
Keep the fuck out your lingo!
THeY be still calling it , and calling it swag
