

# Irish Exit

## Butch Walker

I'm an irish exit when the shots kick in  
And I get as full of shit as I am of Gin  
And it's hard to know the city with the state I'm in  
I just roll roll roll Send me up a river with a change of clothes  
It's hard to keep afloat when everybody knows  
More than I do 'bout the stories or the way they go  
And go and they go and they go Mangled like a fighter with a broken crutch  
One of these days it's gonna hurt too much  
I guess it's hard to put down what's so easy to pick up  
So can you pick me up  
Can you pick me up Don't be alarmed and don't be afraid  
I'm leaving this party in the mess I've made  
I ain't gonna feel a damn bit of shame  
When I walk out the door  
I don't trust spiders and I hate snakes  
But the one thing that makes my lip fuckin shake  
Is talking bout nothing for somebody else's sake  
What a bore  
I can't take this party no more October '97 that's the time I shoulda known  
When you walked across the parking lot with high tops,  
a wife beater, and skinny jeans on  
I had a mind like a bat, and baby you were the ball  
It was on on on But sooner than later there's a foot in my mouth  
That tastes just like the whiskey that my body threw out  
I'll say some stupid shit, something I will regret  
You'll slap me across the head  
That's when I probably shoulda left Don't be alarmed and don't be afraid  
I'm leaving this party in the mess I've made  
I ain't gonna feel a damn bit of shame  
When I walk out the door  
I don't like spiders and I hate snakes  
But the one thing that makes my lip fuckin shake  
Is talking bout nothing for somebody else's sake  
What a bore Can't take this party no more Don't be alarmed and don't be afraid  
I'm leaving this party in the mess I've made  
I ain't gonna feel a damn bit of shame  
When I walk out that door  
I don't like spiders and I hate snakes  
But the one thing that makes my lip fuckin shake

Is talking bout something for somebody else's sake  
What a bore Yeah pull that car around boys  
God, it's already 4
