

# Change the World

**Martha Munizzi**

Rise up!, Take your place,  
Ready, Activate,  
Freedom is on it's way,  
With the Love of God we can Change The World.

No more would we turn,  
The helpless, our hearts burn,  
Justice is breaking chains,  
We can change the world!!

His Love can change one hope, one mind,  
Give every nation hope and life,  
Creation waits expectantly, His love is all we need,

We can change the world (2x)  
With the love of God..^  
We can change the world!  
(back to the top)

Let the world know, let the world see,  
The love of Jesus shines through me. (8x)

L-O, L-O-V-E, LOVE!
