

True Romance

Motion City Soundtrack

you better believe it's true
you know I do I do
you better believe it's true
you know I do I do I'm a screw-up of epic proportions
A walking hand grenade
Hyper-manic, a dime store dramatic
A conduit for pain She said "Don't speak, don't think
just take it all, take it all"
I said "Don't speak, don't think
just mess me up, mess me up" you better believe it's true
you know I do I do
you better believe it's true
you know I do I do (Don't speak, don't think, just take it all) I'm pathetic, overly apologetic
I'm a tight-rope tragedy
You're chicken little, I'm a monkey in the middle
There's something wrong with me She said "Don't speak, don't think
just take it all, take it all"
I said "Don't speak, don't think
just mess me up, mess me up" you better believe it's true
you know I do I do
you better believe it's true
you know I do I do you better believe it's true
you know I do I do
you better believe it's true
you know I do I do humming a slightly varying tune
opposite angles of the moon
buried in layers of ourselves
leaves room for no one else I believe it's true
cause nothing matters
when I'm all wrapped up in you I believe it's true
cause nothing matters
when I'm all wrapped up in you you better believe it's true
you know I do I do
you better believe it's true
you know I do I do you better believe it's true
you know I do I do
you better believe it's true
you know I do I do
