Shame On Me

Face to Face

It started out all wrong, I wasn't thinking
Everything is wrong, I couldn't see itI guess I thought that things
Would somehow try and work themselves out
I'd like to think it's not so easy to convince myself
That everything is going to be okayShame on me this time, I was only trying to make the best of this
I should have known, fool me once then shame on you
Again and I must choose between suspicion and naivetyThis is what you wanted anyway
This time shame on me
