Golden Opportunity

Steve Miller Band

Watching the hands strike midnight
Reading the writing on the wall
Just in time to chase your dream
You got a chance to make it
You got a chance to take it all
Don't let it slip through your fingersRunnin', hide'n
Slippin', slide'n
Wastin' time
You been there beforeGo, go
It's a golden opportunity
Go, go
It's a golden opportunity
Go, go
It's a golden opportunityYou got a hometown sweetheart
She's got love that won't stop
She's so satisfied to be right by your side
And if you both believe it
You know you can achieve it all
Don't let it slip through your fingersRunnin', hide'n
Slippin', slide'n
Wastin' time
I've been there beforeGo, go
It's a golden opportunity
Go, go
It's a golden opportunity
Go, go
It's a golden opportunity
Go, go
It's a golden opportunity
Go, go
It's a golden opportunity
Go, go
It's a golden opportunity
