Better Man

Pearl Jam

Waitin', watchin' the clock, it's four o'clock, it's got to stop
Tell him, take no more, she practices her speech
As he opens the door, she rolls over
Pretends to sleep as he looks her overShe lies and says she's in love with him, can't find a better man
She dreams in color, she dreams in red, can't find a better man
Can't find a better man, can't find a better man, ohTalkin' to herself, "There's no one else who needs to know"
She tells herself, "Oh"
Memories back when she was bold and strong
And waiting for the world to come alongSwears she knew it, now, she swears he's gone
She lies and says she's in love with him, can't find a better man
She dreams in color, she dreams in red, can't find a better manShe lies and says she still loves him, can't find a better man
She dreams in color, she dreams in red, can't find a better man
Can't find a better man, can't find a better man, yeahShe loved him, yeah, she don't want to leave this way
She needs him, yeah that's why she'll be back again
Can't find a better man, can't find a better man
Can't find a better man, can't find a better man, oh, oh
Uh huh, uh huh, uh huh, uh huh, uh huh, oh
