Mookies Last Christmas (Acoust

Saosin

From throat and eyes came winter and reasons
I'm told to carry on
Sad overwhelms my senses drown oh I feel dependent
The feeling that you weren't honestly gone
I can't shake it...Make the same mistake twice
Burst of red and green all over me
Brings the things that she'll love
I should let it fold overWe count the days left, 23
And all I know
Honestly, could I be protected
With you suddenly gone
The feeling that you werent honestly gone
I can't shake it...Make the same mistake twice
Burst of red and green all over me
brings the things that she'll love
I should let it fold overMake the same mistake twice
Burst of red and green all over me
brings the things that she'll love
I should let it fold overMake the same mistake twice
Burst of red and green covering me
