

# Mine All Mine

Steve Martin & Edie Brickell

Good lookin' girl in the corner  
She nice enough to eat  
She look over and she smile and then, oh  
From her head to her feet  
Over and over and over  
Trying to catch her eye  
If I don't do something, it'll come to nothing  
Hate myself the rest of my life  
Don't you accuse me, honey  
You know I feel just fine  
I know, you know that I know  
Oh yeah, I know you're mine all mine  
Girl was looking me over  
Just checking me out  
Looked me in the eye and I was like to die  
Knew what I was all about  
Tell me, tell me, please tell me  
Tell me what you're gonna say?  
If you don't say yes, I'm gonna be depressed  
Sure hope I'm doing okay  
You can't accuse me, honey  
Talking dirty ain't no crime  
I know, you know and you know that I know  
Oh yeah, I know you're mine all mine  
Said she was thinking it over  
She got a look in her eye  
Told me her name, expected the same  
And so I told her mine  
Forever and ever and ever  
I swear I ain't no liar  
Gonna be your man  
You'll be glad that I am  
Burn you in sexual fire  
You can't refuse me, honey  
Don't let get all just fine  
I know, you know and I know where you go  
Oh yeah, I know you're mine all mine, yeah
