

# Long As I Can See the Light

Joe Cocker

Put a candle in the window  
'Cause I feel I've got to move  
Though I'm goin', goin'  
I'll be comin' home soon  
Long as I can see the lightPack my bags and let's get moving  
'Cause I'm bound to drift a while  
Though I'm gone, I'm gone  
You don't have to worry about me, no  
Long as I can see the lightGuess, I've got that old travelin' bone  
Thought I feelin', leavin' alone  
But I won't  
Won't be losin' my way, no  
Long as I can see the lightWon't you play that thing for me right now?Put a candle in the window  
'Cause I feel I've got to move  
'Cause I'm goin', goin'  
I'll be coming home soon  
Long as I can see the lightLong as I can see the light  
Long as I can see the light
