Dead By Dawn

Nekromantix

To some people having a hard time
Is to work out the perfect deal
While to others
Its trying to find out
How to survive
And get the next mealLife can be sneaky love can be rough
It doesn't matter
If you're poor or rich
Love can be tricky
Life can be rough
Sometimes life is a bitchSoon all that will be yesterday
Tomorrow a new day is born
Your worries and troubles of today
Will be dead by dawnTo some people
The search for true love
Is an endless road of pain
While to others
Being in a marriage
Is driving them insane
