

Keep on Smiling

Professor B and the Army of Love

Everybodyâ€™s got to â€¦Keep on smiling

Let it travel round the world..to everyone you see

Everybodyâ€™s got to â€¦Keep on tryin

Let it begin here with me

I smile at youâ€¦you smile at meâ€¦. a smile comes before peace

I shake your handâ€¦You shake my handâ€¦ we both understand that

Everybodyâ€™s got toâ€¦keep on smiling

Let it travel round the world..to everyone you see

Everybodyâ€™s go to keep on trying

Spread that love across the sea

A smile gives warmth you seeâ€¦ it shines light in dark times

so pass it to some oneâ€¦.. and be that ray of sunshine

Everybodyâ€™s got to â€¦keep on smiling

Let it travel round the worldâ€¦.to everyone you see

Everybodyâ€™s got to â€¦.. Keep on trying

Spread that love across the sea
