

Declaration

Mortimer Nova

as i look through my windshield
i beat my fists on the wheel
and slam down on the pedal
and drive right off the edge
i'm driven, i'm driven, i'm driven
i'm driven, i'm driven, i'm driven
i pray for my invention, commision
awaiting my attention, redemption
blood loss, in your eyes
blood loss, in your eyes
last night i bowled 193
but you weren't there to see me
my clothesline is not
for your dirty laundry
forgiven, forgiven, forgiven
forgiven, forgiven, forgiven
i pray for my invention, commision
awaiting my attention, redemption
blood loss, in your eyes
blood loss, in your eyes
