

# Focus Pon Me

Shontelle

I've been looking at you wondering if you even got

What it takes inna, no you take me easy

Left, right, left, right, left, right, focus pon me

Left, right, left, right, left, right, focus pon me

From the most things I got, you can't do it like me

There is no other

You a-watch and a-stare and a-wish

That this gal could'a be your baby momma

So watch me slow grind and a-wine

And in time never step outta line, baby

Make you bod all night feel the wickedest wine

(Focus everytime)

So watch me slow wine, baby

While I wine and dine, baby

Make your mouth water with this heat

Me done work it, what is your weakness?

Left, right, left, right, left, right, focus pon me

Show it back, make it hot, take it right down for me

Left, right, left, right, left, right, focus pon me

Move it round, toss it down, give it all you got, baby

Left, right, left, right, left, right, focus pon me

(What?)

Left, right, left, right, left, right, focus pon me

(What?)
