

# Little Shadow

## Yeah Yeah Yeahs

Patience, shadow  
For all your sight, there's no sight to see  
Little shadow, little shadow  
To the night, will you follow me? Pardon, shadow  
Hold on tight to your darkened keys  
Little shadow, little shadow  
To the night, will you follow me? Closer, shadow, for all your strikes  
Still we're caught between all this sorrow  
Little shadow  
To the night, will you follow me? Every shape and size, [Incomprehensible]  
Tearing, tearing aside to a fantasy Little shadow  
Into the night will you follow me?  
Little shadow  
To the night will you follow me?
