A Lonely September

Plain White TÂ´s

I'm sittin' here all by myself
Just tryin' to think of something to do
Tryin' to think of something, anything
Just to keep me from thinking of youBut you know it's not working out
'Cause you're all that's on my mind
One thought of you is all it takes
To leave the rest of the world behindI didn't mean for this to go as far as it did
And I didn't mean to get so close and share what we did
And I didn't mean to fall in love, but I did
And you didn't mean to love me back but I know you didI'm sittin' here tryin' to convince myself
That you're not the one for me
But the more I think, the less I believe it
And the more I want you here with meYou know the holidays are coming up
I don't want to spend them alone
Memories of Christmas time with you
Will just kill me if I'm on my ownI didn't mean for this to go as far as it did
And I didn't mean to get so close and share what we did
And I didn't mean to fall in love, but I did
And you didn't mean to love me backI know it's not the smartest thing to do
We just can't seem to get it right
But what I wouldn't give to have one more chance tonight
One more chance tonightI'm sittin' here tryin' to entertain
Myself with this old guitar
But with all my inspiration gone
It's not getting me very farI look around my room and everything
I see reminds me of you
Oh please, baby won't you take my hand
We've got nothing left to proveI didn't mean for this to go as far as it did
And I didn't mean to get so close and share what we did
And I didn't mean to fall in love, but I did
And you didn't mean to love me back but I know you didAnd I didn't mean to meet you then we were just kids
And I didn't mean to give you chills the way that I kiss
And I didn't mean to fall in love, but I did
And you didn't mean to love me back but I know you didDon't say you didn't love me back
'Cause you know you did
No, you didn't mean to love me back, but you did
