Warsaw (Demo)

Sharon Van Etten

You, when you listen
In a color of sorrow you're over me
You, with eyes through
Leaning forward and not giving in whollyYou, you're something
You mean something
Genuinely show me
Genuinely open to youHere sing to yourself
Tell me you want to be shown more
You only listen to an endless yawn to be overHe is over you
He is over you
I want to be over you
I want to show you
