

You Are I Am

MercyMe

I've been the one to shake with fear
And wonder if You're even here
I've been the one to doubt Your love
I've told myself You're not enough

I've been the one to try and say
I'll overcome by my own strength
I've been the one to fall apart
And start to question who You are

You're the one who conquers giants
You're the one who calls out kings
You shut the mouths of lions
You tell the dead to breathe
You're the one who walks through fire
You take the orphan's hand
You are the one Messiah
You are I AM
You are I AM

I've been the one held down in chains
Beneath the weight of all my shame
I've been the one to believe
That where I am You cannot reach

The veil is torn
And now I live
With the Spirit inside
The same One
The very same One
Who brought the Son back to life

Hallelujah, He lives in me
