

# Heart In a Cage

## The Strokes

Well I don't feel better  
When I'm fucking around  
And I don't write better  
When I'm stuck in the ground  
So don't teach me a lesson  
Cause I've already learned  
Yeah the sun will be shining  
And my children will burn

Oh the heart beats in its cage

I don't want what you want  
I don't feel what you feel  
See I'm stuck in a city  
But I belong in a field

Yeah we got left, left, left, left, left, left, left

Now it's three in the morning and you're eating alone

Oh the heart beats in its cage

All our friends, they're laughing at us  
All of those you loved you mistrust  
Help me I'm just not quite myself  
Look around there's no one else left  
I went to the concert and I fought through the crowd  
Guess I got too excited when I thought you were around

Oh he gets left, left, left, left, left, left, left

I'm sorry you were thinking; I would steal your fire.

The heart beats in its cage  
Yes the heart beats in its cage  
Alright

And the heart beats in its cage
