

Thank U Mamma

Sizzla

Thank you mamma for the nine months you carry me through

All those pain & suffering

No one know the pressure you bared, juss only you

Give you all my love oh yeah

Thank you mamma for the nine months you carry me through

All those pain & suffering

No one know the pressure you bared, juss only you

Listen my words & my uttering

Mamma I will never let you down

I'll never go away, I'll always be around

You know what you do, with such love that you found

I'm always gonna let you wear that crown

Through the ruffest of times you maintain your calm

Jah's_____ oh yeah, while sheltering me from the storm

And when its cold you wrap me in a towel so warm

Oh ma, oh ma, I'm so glawt is was bo-wo-wo-orn

Thank you mamma for the nine months you carry me through

All those pain & suffering

No one know the pressure you bared, juss only you

Give you all my love oh yeah

Thank you mamma for the nine months you carry me through

All those pain & suffering

No one know the pressure you bared, juss only you

Listen my words & my uttering

I'm gonna make you so proud, such good so you have

You're the one who teaches me all the good from the bad

Even when the system keeps pressuring my dad

You got high hopes, thanks be unto the most high god

Thank you mamma for the nine months you carry me through

All those pain & suffering

No one know the pressure you bared, juss only you

Give you all my love oh yeah

Thank you mamma for the nine months you carry me through

All those pain & suffering

No one know the pressure you bared, juss only you

Listen my words & my uttering

I'm a big man now, that's how things go
Things you do to survive, only Jah he knows
_____ protecting us while watching us grow
You build up, even when its on the down low
Work so hard to see us go to school
Blisters on your fingers so they can't take us for fool
I'm here for a purpose, I'm here to rule
Most high Jah, rastafari will see us true

Thank you mamma for the nine months you carry me through
All those pain & suffering
No one know the pressure you bared, juss only you
Give you all my love oh yeah
Thank you mamma for the nine months you carry me through
All those pain & suffering
No one know the pressure you bared, juss only you
Listen my words & my uttering
