

# Misty

Joachim KÃ¼hn, Rolf KÃ¼hn

Look at me

I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud

I can't understand

I get misty just holding your hand

Walk my way

And a thousand violins begin to play  
Or it might be the sound of your hello

That the music I hear

I get misty the moment you're near  
You can say that you're leading me on

But it's just what I want you to do

Don't you notice how hopelessly I'm lost?

That's why I'm following you

On my own

Would I wander through this wonderland alone?

Never knowing my right foot from my left

My hat from my glove

I'm too misty and too much in love

You can say that you're leading me on

But it's just what I want you to do

Don't you notice how hopelessly I'm lost?

That's why I'm following you

On my own

Would I wander through this wonderland alone?

Never knowing my right foot from my left

My hat from my glove

I'm too misty and too much in love

I'm too misty and too much in love
