

Civilian

The Ides Of March

I am nothing without pretend
I know my faults, can't live with them
I am nothing without a man
I know my thoughts but I can't hide them I still keep my baby teeth
In the bedside table with my jewelry
You still sleep in the bed with me
My jewelry and my baby teeth I don't need another friend
When most of them, I can barely keep up with them
Perfectly able to hold my own hand
But I still can't kiss my own neck I wanted to give you everything
But I still stand in awe of superficial things
I wanted to love you like my mother's
Mother's mothers did
Civilian
Civilian
