

Fast Times At Ridgemont High

Sammy Hagar

I got this strange fascination
For this chick, down the hall
Reliable information, yeah
Says, she ain't givin' up the ball But Saturday night, I'll be checkin' it out
From the back of my van Fast Times at Ridgemont High
Havin' a ball
Fast Times at Ridgemont High
Writin' on the wall Just yesterday, my friend got busted
She came home, smellin' like smoke
It's such a shame when you're not trusted
She only had one little tokes Yeah, the fear that you might fall
It's driving you up the wall Fast Times at Ridgemont High
Havin' a ball
Fast Times at Ridgemont High
Writin' on the wall Fast Times at Ridgemont High
Havin' a ball
Fast Times at Ridgemont High
Writin' on the wall Yeah, Fast Times at Ridgemont High
Havin' a ball
Fast Times at Ridgemont High
