Fury

Amaranthe

When I repent that I'm the cover of the magazine
And even thought I know it's all what I wanted
I wish to be beheaded by a guillotine
Make me regret that I'm part of the sceneI am the man, I am the man, I am the madman
I ride the bullet of your everlasting fantasies
I cannot take it, take it, cannot take it anymore
Making me forget my dreamYou cannot run, you cannot hide or fly away
Escape from yesterday, try to hide when you see me
Cannot run from the fury
You cannot run, you cannot hide or fly away
Escape from yesterday, try to hide when you see me
Cannot run from the furyI'm disappointed, I can't get enough adrenaline
Like Yngwie said it, "You unleashed the fuckin' fury"
I'm crushing Slayer, Corey Taylor like a beat machine
Making you forget they're part of the sceneYou wish you had nine to five instead of copying me
You do your soil work and yet you adore me
I said it in your face I'm your arch enemy
Stop what you're doing and runYou cannot run, you cannot hide or fly away
Escape from yesterday, try to hide when you see me
Cannot run from the fury
You cannot run, you cannot hide or fly away
Escape from yesterday, try to hide when you see me
Cannot run from the furyGrowl god
Growl godI am your god, I am no saint, I need no fake it
I am the posters on your wall, that's why I set you free
Who is Elize? I have no clue 'cause all I see is me
Make me forget that I am a part of a teamI understand that you are hating my philosophy
The guys behind me ain't no band, they're slaving, slaving, slaving for me
I cannot fake it, fake it, cannot fake it anymore
The fury, the growl god, I roarYou cannot run, you cannot hide or fly away
Escape from yesterday, try to hide when you see me
Cannot run from the fury
You cannot run, you cannot hide or fly away
Escape from yesterday, try to hide when you see me
Cannot run from the fury
