

Drop Dead Killer

Kora

[Chorus]

Oh, you're a dirty girl
You're a drop dead killer
And I know you love me
Oh, corruption in your eyes
But you fantasise
'Cause you love to lie Can't explain, but I speak the truth
Don't blame me 'cause I got the proof
La, da, da, da, da, da
La, da, da, da, da, da
All these dirty habits came from outer space
Hope you realise you was off your face
Corruption is the only option She took it to a new level
She started tricking on me
While she's licking on me
When you fall for her
You forget that she is [Chorus]
Oh, you're a dirty girl
'Cause you're a dirty girl
You're a drop dead killer
And I know you love me
Oh, corruption in your eyes No, I tell no lies, I speak the truth
I got it right here, I got the proof
La, da, da, da, da, da
La, da, da, da, da, da
She was just a devil
You could see it in her eyes
There was no disguising, not surprising
When you fall for her
You forget that she is Just a little baby from a cosmic pool
Cutie little beauty of a molecule
Head spinning 'round like a whirlpool
Got me running 'round like a goddamn fool
What you know love is, tell me love you know
That's when you know that you're really lonely, lonely
Don't have a miracle when you've lost your day job [Chorus]
Oh, you're a dirty girl
'Cause you're a dirty girl
You're a drop dead killer

And I know you love me
Oh, corruption in your eyes
There's corruption in your eyes
'Cause you love to lie
