Grinspoon

Dead cat three times
Bet it's out there on a highway line
You tried to deny all of it
I hang my head when I think
Dead cat, dead cat three times
Dead cat
You said that
Said cat three times
Dead cat
No school three times

Cigarettes, sudafed for roll call boys
They never really gave a shit
Apologetic hypocrite
Dead cat
Dead cat three times
Dead cat
Said that
Said cat three times
Dead, fuck, in, cat
Dead cat x 7
