## Grinspoon

Dead cat three times  
Bet it's out there on a highway line  
You tried to deny all of it  
I hang my head when I think  
Dead cat, dead cat three times  
Dead cat  
You said that  
Said cat three times  
Dead cat  
No school three times

Cigarettes, sudafed for roll call boys  
They never really gave a shit  
Apologetic hypocrite  
Dead cat  
Dead cat three times  
Dead cat  
Said that  
Said cat three times  
Dead, fuck, in, cat  
Dead cat x 7
