Grinspoon

Dead cat three times

Bet it's out there on a highway line

You tried to deny all of it

I hang my head when I think

Dead cat, dead cat three times

Dead cat

You said that

Said cat three times

Dead cat

No school three times

Cigarettes, sudafed for roll call boys
They never really gave a shit
Apologetic hypocrite
Dead cat
Dead cat three times
Dead cat
Said that
Said cat three times
Dead, fuck, in, cat
Dead cat x 7
