

# Gimme Shelter

## Hawkwind

Ooo

OooOoo, a storm is threatenin', my very life today

If I don't get some shelter, oh I'm gonna' fade awayWar children, it's just a shot away, it's just a shot away

    War children, it's just a shot away, it's just a shot awayOoo, see the fire sweeping up every street today

    Burns like a red coal carpet, mad bull lost it's wayWar children, it's just a shot away, it's just a shot away

    War children, it's just a shot away, it's just a shot awayRape, murder, it's just a shot away, it's just a shot away

    Rape, murder, it's just a shot away, it's just a shot away

Rape, murder, it's just a shot awayOoo, a storm is threatenin' my very life today

If I don't get some shelter, oh I'm gonna' fade awayWar children, it's just a shot away, it's just a shot away

    It's just a shot away, it's just a shot away, it's just a shot away

    I said a love sister, it's just a kiss away, it's just a kiss away

It's just a kiss away, it's just a kiss away, kiss away, kiss awayWar children, it's just a shot away, it's just a shot  
    away

    War children, it's just a shot away, it's just a shot away

    War children, it's just a shot away, it's just a shot away

    War children, it's just a shot away, it's just a shot away

    Love sister, it's just a kiss away, it's just a kiss away

    Love sister, it's just a kiss away, it's just a kiss away

    War children, it's just a shot away, it's just a shot away

    Love sister, it's just a kiss away, it's just a kiss away

    War children, it's just a shot away, it's just a shot away
