

Bet I (feat. T.I. & Playboy Tre)

B.o.B

Put me on anything, still I bet I bust
Put me anywhere on the map, I bet I bust
This is what I does, so please don't gas me up
Matter of fact, gimme 15 minutes and a bag of bud I bet I bust, I bet I bust
I bet I bust, I bet I, I bet I
I bet I bust, I bet I bust
Matter of fact, gimme 15 minutes and a bag of bud, I bet I bust Bust, bust, bu-bu-bust
Yeah, on bud, bet I bust
That's just what I does, yes
Put me anywhere on the map with a backpack strapped
Still I bet I bust Bet I flow, bet I rip this beat
Bet I feel that soul, bet I go
Bet I bench these niggas like Ray, sit down, bro Bet I know, everything about this game
Bet I know my role
Plus they know when I come to the court
This is my sport, B dot o, B, so bet I go Bet I'm on a brand new plane
Bet I'm in a whole different zone
I ain't really from this place
So i'm up all night long So, really I'm in outer space
Really I ain't got no home
Really I'm a saint, bet I'm blown
Bet I'm thrown, up to the sky, over the ocean So I fly wherever I'm goin'
When I'm by, bet I'm focused
If it's five, you can bet I roll it
Matter of fact, you can bet I bust Put me on anything, still I bet I bust
Put me anywhere on the map, I bet I bust
This is what I does, so please don't gas me up
Matter of fact, gimme 15 minutes and a bag of bud I bet I bust, I bet I bust
I bet I bust, I bet I, I bet I
I bet I bust, I bet I bust
Matter of fact, gimme 15 minutes and a bag of bud, I bet I bust Drive around parkin' center, the king from
Atlanta
The room with the boom in the booth, I deliver
The hottest, you prolly too small to acknowledge you
Impossible to copy like what everybody try to do We cool as some dudes on them waves out in Malibu
I'm ballin' hard baseline, fall through the alley oop
Bam, comin' through this thang
Like James in the air off the bare of my hand Nigga just can't pretend you forgot my name if you wanna
I'm a come hard like a boner, donor

Make a nigga wanna rebound, turned up, all the way, reamp
2 or 3 tramp, put 'em in the Mulsanne Bentley
Nigga say he do it like us, he should mean '96, '97In Atlanta, we got more blocks than Mutombo Dikembe
For those who can't hold water need a new kidney
Put it down under Australia, Sidney
And I'm still representing, for the niggas under prison
You are tuned in, listenin'And I'm back to doing big things
A sucka lookin' for me, starred in yo bitch's dreams
That's why I'm 20 feet tall standing on the big screen
Get dough, get green, my flow sickening
It's the king niggaPut me on anything still I bet I bust
Put me anywhere on the map, I bet I bust
This is what I does, so please don't gas me up
Matter of fact, gimme 15 minutes and a bag of budI bet I bust, I bet I bust
I bet I bust, I bet I, I bet I
I bet I bust, I bet I bust
Matter of fact, gimme 15 minutes and a bag of bud, I bet I bustYeah, back with a cup of that liquor, nigga
Ya'll don't really know Tre
Really know me, really know the streets, no
Ya'll niggas really ain't GReally ain't hard
Never really served no heart
Y'all be playin' that roll
Talkin' that pimp shit, never really pimp shit, nahYa'll be singin' them hoes
But I don't and I won't
I'll get a bitch anytime I want
I'm that guy, spit that fire
Shake the ground every time I stompBitch in the trunk, cup in the air
You can talk shit but I really don't care
Man I'm in the Cadillac goin' direct
Gonna clack that back
'Cause a nigga ain't scaredFrom that red clay, east of the A
Ya niggas get locked up everyday
Cops ain't shit so I drop that shit
How I drop, never make it through the dayGrindin' for my pay
It's that nigga Tre
Bustin' like a pistol, better believe it when I say
That I bustPut me on anything still I bet I bust
Put me anywhere on the map, I bet I bust
This is what I does, so please don't gas me up
Matter of fact, gimme 15 minutes and a bag of budI bet I bust, I bet I bust
I bet I bust, I bet I, I bet I
I bet I bust, I bet I bust
Matter of fact, gimme 15 minutes and a bag of bud, I bet I bust
