

# Raging

## Art of Dying

I try to play along  
This is my life  
Make like there's nothing wrong  
Living a lie  
I think it every day  
Lost in the crowd  
Slowly, this sanctuary...  
Is coming unwound Here I go again...Raging!  
I'm suffocating!  
My heart is racing!  
It's like I'm dying inside!Raging!  
Hell is raising!  
My hands are shaking!  
I'm going out of my mind!Raging...  
Raging...  
I hide, I medicate  
I fall in line  
Maintain my masquerade  
Biting my time  
Learning that all too soon  
The anger will win  
Walls in this tiny room, will come crashing in...  
Here I go again...Raging!  
I'm suffocating!  
My heart is racing!  
It's like I'm dying inside!Raging!  
Hell is raising!  
My hands are shaking!  
I'm going out of my mind!  
I keep burying my skeletons!  
Here I go again!Raging!  
I'm suffocating!  
My heart is racing!  
It's like I'm dying inside!Raging!  
Hell is raising!  
My hands are shaking!  
I'm going out of my mind!  
Here I go again...  
Here I go again
