KIDS

Coyote

yeah you feel like you're undone,
hanging pictures inside your coffin.
there's no easy way.

tides that'll wash over you,
let it die, let it die
till its just you.
theres no easy way to
realize nothing's going your way.
theres no easy way.
(to watch you slip away)

we're just kids got lost in the feeling,
one day you'll wake up from dreaming.
oh oh oh oh oh will you let it go, let it go?

we're just kids got lost in the feeling,
one day you'll wake up from dreaming.
oh oh oh oh oh will you let it go, let it go?

you have eyes like a figheter for the truth.
but the sky held you tight,
so you turn blue.

there's no easy way to get back what you gave away.
there's no easy way, no.
no easy way, no.

we're just kids got lost in the feeling,
one day you'll wake up from dreaming.
oh oh oh oh oh will you let it go, let it go?

yeah
we're just kids got lost in the feeling,
one day you'll wake up from dreaming.
oh oh oh oh oh will you let it go, let it go?

all this time, in the sun, i believed in you.
all this time, in the sun, i believed in you.
yeah! all this time, in the sun, i believed in you.

oh, all this time, in the sun, i believed in you.

we're just kids got lost in the feeling,
one day you'll wake up from dreaming.
oh oh oh oh oh will you let it go, let it go?

we're just kids got lost in the feeling,
one day you'll wake up from dreaming.
oh oh oh oh oh
will you let it go, let it go, let it go, let it go?

all this time, in the sun, i believed in you.
all this time, in the sun, i believed in you.
