

I'm a Changed Man

Otis Redding

Learn how to love, learn how to walk
Learn how to talk, like a baby talk
Learn how to see, see what I want
Learn how a baby, does and I don't And I'm a changed man
I've been baptized
And I'm a changed man
I'm a brand new guy, yeah, yeah, yeah Alright let me tell you, mama
You put a feeling in my soul
You make me fast that I had them holes
You did this, baby, you did that
You little girl you showed me where I was at Now I'm a changed man
I've been baptized
And I'm a changed man
I'm a brand new guy, yeah, yeah Alright, let me sing it
Ya, ya, ya
Ya, ya, ya
Ya, ya, ya
Alright, you made a
Change in me, mama Bet you're a man whose life is a blink
So messed up, you know he couldn't even think
But you came along stopped my own going
Gave me enough love to keep five minutes going And I'm a changed man
I've been baptized
And I'm a changed man
I'm a brand new guy, yeah, yeah, yeah Alright, let me sing my song know
Ya, ya, ya
Ya, ya, ya
Ya, ya, ya You gave me love, you gave me everything
Gave me love brought my heart sing
You gave me pants, you gave me clothes
You gave me something to thin my holes Now ought to
Ya, ya, ya
Ya, ya, ya
Ya, ya, ya Did you ever change him
Made me change him
Now you made him change
I'm a changed man
