

Euphoria, Take My Hand

Glasvegas

Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
Euphoria Your ways, my ways
Never, always
The future, the past
The first, the last Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
Euphoria Right time, wrong line
Myself, I'm alien
I swear to god, lies and bad thoughts
1, 2, 3, 4, let go Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
Euphoria A wish upon a falling star
A fear never far
I hurt, you hurt me
Sunshine, moonlight
Kind heart, evil leave me Heartbreak
I'm not holding your hand anymore
Heartbreak
I'm not holding your hand, let me go Why can't you understand?
Why can't you understand?
Why can't you understand? Euphoria, take my hand
Euphoria, take my hand
Euphoria, take my hand
Euphoria Euphoria, take my hand
Euphoria, take my hand
