

All the Way

Marty Robbins

If somebody loves you
It's no good unless he loves you all the way
Happy to be near you
When you need someone to cheer you all the way
Taller than the tallest tree is
That's how it's gotta be
Deeper than the deep blue sea is
That's how it goes when it's real
When somebody needs you
It's no good unless he needs you all the way
Through the good and lean years
And through all the end between years, come what may
Who knows where the road may take us
Only a fool could say
But if you let me love you
It's for sure I'm gonna love you all the way, all the way
