How Do You Do

Hot Chip

How do you do it
Make me want to live again
How do you do it
You make me want to live again
When you wake me in the morning
That is my favorite thing
Your body is so warming
As it strikes a chord upon my skin
Now he's singing in the evening
With a voice that's bouncing like a spring
A heart is not for breaking
It's for beating out all the life it needs to begin
It's for beating out all the life it needs to begin
(chorus)

How do you do it
You make me want to live again
That thing you do, that thing you do
You make me want to live again
How do you do it
That thing you do, that thing you do
You make me want to live again
Have we taken all we're good for
Have we registered our love in vain
A church is not for praying
It's for celebrating the light that bleeds through the pain
It's for celebrating the light that bleeds through the pain
It's for celebrating the light that shines through the pain
It's for celebrating the light that bleeds through the pain
(chorus)
